Genealogy: Heartbreaker x Ramiro Z x Uppercut xx

The father, **Heartbreaker**, leads the jumping index with a staggering score of **168 points** and became 'KEUR' in 2004. He has been leading the WBFSH ranking for the last three years. His offspring seems to have inherited his quick reflexes, "scopiness" and good canter. At only 14 years old he has already more than 10 approved sons, among them the superb jumping stallions **Orlando**, **Padinus** and **Regilio**. His oldest offspring performed when they were only 8 years old at the very top with phenomenal results: **Quasimodo van de Molendreef**, **Action Breaker**, Quartz Music, Quintin, **Quasimodo**, Saffier and Zip and Zip.
He also performed at high level; with his rider Peter Geerink he was 3rd at G.P. of Hamburg, Falsterbro and Geesteren, 4th in the prestigious Grand Prix of Aachen.

The mother **JALANTA H,** is out the Top Sire Ramiro Z. She also produced:
- 1999 **Forza Maggiore C'SG**, by Acord II, G.P. jumper with an amateur rider;
- 2000 **Grazie di Tutto C'SG**, by Animo, 1.40 winner;
- 2003 **Limite Estremo C'SG**, by Edison, current holder puissance European junior record; 6 bars 1.95 winner;

This family comes from the famous **KWPN Fokfamilie n. 24.** This maternal line has produced an impressive series of fantastic sport horses such as the well-known **VDL Oranta**, 41° place in the WBFSH ranking 2006 and the stallion **Renville** ISH 1.60m, **Kwpn Breeding Value 176** and father of Traxdata Renville, Hoek's Ginus, Elanville, Halanta, Hotkey, Flash, Jagermeister, Stapp's Aerobic, Experiment, Ferville, Billy and Jarville. In the maternal-line are the also the ISH 1.60m jumpers Javantus, Benji, Playboy, Sultan, Taranta, **Warrant** (Kwpn, Old, Old int, Z, Swb), Kwpn Breeding Value Jumping 146, Urban, Uvantos H, Vavantos, Wavantos, Havantos, Tavanta, Alarm, Sandravanta, Wavanta, …..

The mother, **Jalanta H**, is a very well conformed mare, daughter of the top sire **Ramiro Z**, whose performances as a sporthorse and breeding sire had clearly earned him the well deserved titles **'Stallion of the Century'** and **"King of Sires."** The second sire in her pedigree is **Uppercut xx,** one of the best jumping cross-breeding T.B. in the Netherlands. He sired 16 approved sons, including Nabuur and The Saint (A. Schockemohle) although today his greatest influence is through daughters. The third sire is **Sinaeda,** still really appreciated thanks to his contribution on the conformation and the jumping talent.

The father **Heartbreaker**, is sired by the world famous 'preferent' stallion **Nimmerdor**, (Zadok, Goldenbridge, Garavola, Up to Date, Aldato ….). Grandmother **Cleopatra** is also the dam of the international jumper **Wendela** (J. Zoer), who was 10th at the W.E.G. in Stockholm and the approved stallion **Gershwin**. Furthermore Heartbreaker is within a few generations related back to the international jumpers; Suleiman, Dolanda, Elanda and Garavola. The thoroughbred stallion **Uppercut xx** and **El Gaucho xx** are essential in Heartbreaker's pedigree.

It is important to note in **Figlia Diletta C'SG** pedigree, the 3 x 4 inbreeding with Uppercut xx blood.
