The father is the extraordinary sire **Contendro I**: 1999 Holstein premium stallion, winner of the 2000 Adelheidsdorf stallion performance test. His heavy breeding schedule only allowed for sporadic appearances at shows but when he competed, he always took home a ribbon. **FN Breeding Values, 2012**: Jumping: 158 / 97% - **Hanoverian Breeding Values, 2012**: Jumping: 163 / 98%. Contendro I is out the Holsteiner Stamm 104.

The mother **CANTARA**, is out the Top Sire Cantus. She also produced:

- ◆ **Blatini Z**, by Burggraaf, CSIO, 350° WBFSH;
- ◆ **Io Speriamo C'SG**, by Acobat II, Grand Prix Winner, 1.60;
- ◆ **Curzia C'SG**, by Edison, sold in Poland;

- 2ND GENERATION -

◆ Holsteiner stamm 390

◆ 2013 De Bello Gallico C'SG (Corofino I)

◆ 2014 In foal by KANNAN

We started this line with **Cantara**, who comes from the Holsteiner **Stamm 390**, which has produced stallions as Chairman (Holst; Old; Rheinl.; ZfdP; Bayern; Hess), ISP 1.50, Lemato, Let's Jump, Calidos, Quick Nick I and II, Lakai and international winners as Italia (out of the full sister of Cantara, sold for 1,000,000 DM at 5 years old), Kathleen, **Io Speriamo C'SG**, **Blatini Z**, CSIO, Canturana, Akalet, Rona I

Cantara, now at rest, is an impressive broodmare with an exceptional genealogy. She carries the first-class blood of **Cantus** that in only 4 years of breeding was included among the best world's Sires with the internationals **Calvaro** (1° WBFSH 1998), **Come On** (R. Schneider), **Calido** (head stallion in Holstein), Cascavelle, Cassius Clay, Cristobal (1994 German Championship's winner), Canaletto (1994 German Championship's vice-champion), Cyrano (stallion to P. Shockemoele) and **Canturo** (O.G. Beijing). Even her mother, **Vision II**, was impeccably bred, being by the great stallion **Landego** who is in the best international jumpers's pedigrees as the one of **Gandini Lianos** (R. Pessoa) and **Canturo**. Behind them are the thoroughbreds **Marlon xx** (2 times) and **Maestose xx**, who both give the blood that we seek in our mares.

The father, **Contendro I**, is out the Holsteiner **Stamm 104** who produced the stallions Acolord, Action Hero, **Capitano**, **Caretano**, Cassus, **Celano**, **Chico's Boy**, **Corland**, **Landego**, **Landetto**, and the international show jumpers Caballo, Candiro, N-Caretana, Contendro II, Casello, Caretano, He directly produced the 1.60m jumpers Captain Fire, Consens, Charming Boy, Cathleen, Contendro-Star, Cappuccino, Christdorn, Constantin B, Caruso, Crespo, Pensilvania, Con Crusador, Somaga,
