This family owes their successes to the first class blood of **Don Carlos**, pillar of Hannoverian Studbook where produced the international showjumping stars: Diavolo (Schmitz), Daniela (Reinacher), Day Dream (Bartels), Donkosak, Dorian (Austrian Showjumping Team) and 21 approved stallions among them **Don Juan**, Stallion of the Year 2004 in Hannover, who produced himself: Dollar Girl (Fuchs), Donna Carrara (Gugler), Genesis (Cassan), Dulf (McNaught and Lansink), Delon VA (Nieberg), Donnerlittchen (Michaels-Beerbaum), Drossel-Matze (Bigler), SkyBoy (R.Pessoa) and Frechdachs (Becker).

This makes Don Carlos one of the stallions who has had more influence, his blood is evident in **The Sixth Sense (1st WBFSH)** as well as in **Crispina C'SG** and all her brothers, as is evident the fightness of Zeus - approved in Germany, France, Holland - who was for more than 10 years at the top of the WBFSH stallions ranking.

From this family are the stallions Wolfsteiner, Ginsberg I and II, Matchos As, **Grandino C'SG**, **Encantado C'SG**, **Zorro T**, Wedemark, Blue Hors World Class, World Class and the performers A Jungle Prince, **Ann Petit**, **Zorro T**, **The Sixth Sense**, **Ho Detto Si C'SG**, **Quantus C'SG**, Zackspeed, Wild One.

His grand dam, Fosoritina is a descendant of the influential thoroughbred stallion, **Marlon**, bred from the well known Raimond daughter, **Biserta**.
