We started this family with **Desdemona**. This line is synonymous of genetic; expressing the best in the world for sport, with roots firmly linked to showjumping. It is the rare case in which each generation has produced at the highest international level. Desdemona's father is the outstanding stallion **Almè Z**. For nearly 20 years he covered mares worldwide and started a great line of competing stallions who is continuing today by his sons and grandsons, international champions as yet unmatched. The sons: **Galoubet A, I Love You, Jalisco B, Joyau D'Or, ...** The grand-sons: **Quick Star, Skippy II, Baloubet du Rouet, Quidam de Revel, Quito de Baussy, Papillon Rouge**, The grand-grand-sons: **Quasimodo Z, Quebec, Quality Touch Z, Balou du Rouet, Bubalou VDL, Guidam, Nabab de Reve, Dollar de la Pierre, Quite Easy, Verdi, Hors la Loi II** and the last generations: **Untouchable 27, Kashmir v/S, Vigo d'Arsouilles, Inshallah de Muze, ...**

Her brothers are the international stallions **Barbarian**, (ISO 174, CSIO and Olympics of Sidney), **Rox de la Touche** (ISO 157, stallion of the year in France 2004 and father of **Caucalis G.O.** of Sidney), **Elodice** (G.P. winner). From the third mother, **Jouvencelle**, are born the Olympic **Joyau d'Or, Kamé d'Or** (CSIO), Grain d'Or, ISO 166, Beau Brun and Damoiseau I. Behind in the line, the mother of the mother, **Victoire**, has produced the international winners Linotte C (CSI, Switzerland), Prince Royal (CSI, France), **Bavolette** (CSIO, Spain) and Helios D (CSIO, Portugal), but even more important the broodmare **Osyris**, dam of the stallion **Elf III**, considered one of the best father of mother by the WBFSH ranking. We find more international jumpers in the family: Istom (1.60), Calypso d'Adriers (stallion), **Quool du Bois Margot (1.60 and stallion)**, Enzo and Ideal du Reverdy (both 1.60), Unique (1.60), Jscorpio Metodo (1.50), Ponthual Blou (1.60), Pacino du Genet (1.60), ...

The father **Numero Uno** is a son of the phenomenal sire **Libero H**, who made history winning the 1994 World Cup final. Libero H's outstanding traits, conformation and movement are passed on by Numero Uno. His dam **Jolanda**, who comes out of the small but strong **Holsteiner-line 429** – who produced Aldato (Anblick xx), Heidelberg (Ladykiller xx), Benedictus (Benvenuto xx) and Lorenz (Ladykiller xx) - combines two great sires in her pedigree: **Lord Calando** and **Ahorn Z**. Numero Uno is an unstoppable sire. His sons from his first year at stud, **Tamino and Tyson**, are on the Dutch A-team. He was awarded the **PREF** predicate for his excellence as a sire. In 2013 at La Baule Nation Cup, the winning Dutch Team was composed by three Numero Uno's offspring.
