Horatius di Ca' San Giorgio (2012, male)

## Horatius di Ca' San Giorgio (Balou du Rouet x laudanum xx x Elf III)

His father **Balou du Rouet**, Oldenburg silver medalist of 2005, is one of the best German horses of his age group. He completed an excellent Stallion Performance Test awarded with the top marks of 9.5 and 10.0 for jumping.

His father, **Baloubet du Rouet** is currently one of the most successful jumping stallions on the international arenas (individual gold medallist at the 2004 Olympic Games in Athens, three-times World Cup Champion in a row, winner of many Grand Prix's).

Balou du Rouet first group of offspring confirmed their quality at the approvals; one of his sons was the Top Price stallion at the Oldenburg Approvals in Vechta; another son, **Baranus** (Helena Torstensson), winner in the World Championship of Lanaken was sold in the PSI Auction for € 120,000 and **Be Bravo** was sold for the record price of € 350,000. A lot of his offspring are already 1.60 international performers, among them are Beau du Rouet, Balougold, Balou's Erbe, Balounito, Baloufee, Balloon, Balzaci, Ballerina Z, Palletti, Grand Balou, Balou, ....

The mother, **Delice du Pin II**, is by **Laudanum xx** who is considered the best cross breeding thoroughbred of the XXth century. Good jumper herself in 1.40 class, she owns extraordinary **breeding index, BSO +21, 4 PACE Points** and her sons show all her genetic potential. She is already the mother of **Irma Bella C'SG**, 1,50 class international winner and **Mentre Parigi C'SG** among the best 6 year old in France 2010 and sold abroad, **Cassia C'SG**, 6 year old winner in Fontainebleau 2013.

**Potential champions are not easily recognizable, but when whole family has jumping blood the possibility to be an outstanding horse is rather high and this is the case with Horatius C'SG! He is powerful, with a lot of energy, very well balanced and with a great temperament.**
