- 1ST GENERATION -

Fatti Bella – 1999 - (Acobat II x Langata Express xx x Ahorn Z)

◆ **Holstein Stamm 7126**

Mother of:

- ◆ **Ladro di Cuori C'SG (Kannan)**, approved stallion in France, 3rd in 6 year old French Championship, top jumper with Eric Navet;
- ◆ **Dolabella C'SG (Numero Uno)**, 2nd in 5 year old 2013 French Championship.

We started this line with **Fatti Bella** because of her incredibly precious blood, the **Stamm 7126**, one of the best performing Holstein maternal line. Her mother, **Kampone**, is a daughter of the well-known T.B. **Langata Express xx** who was especially successful in Holsteiner and Hanoverian Studbook. He has proven himself to be a very valuable dam sire as well as a good sire of stallions as Concept, Ladin, Alcatraz, Amidou, Langata Son. Her grand-mother **Empore**, is out of **Ahorn Z**, father of the dams of **Indorado**, Churchill, C-Max, **Lux Z**, **Concerto I and II**, Empire, and of the stallions and international jumpers Aktionaer, Acord I, **Acord II**, Acord III, **Alasca**, Andretti, Aar, Lord Arico, Zita VIII, Amaro, Anaconda and so on These sires gave to her blood, respect, power and all the technique of the Almè descendents. **Fatti Bella** fully confirmed all the expectations producing the stallion **Ladro di Cuori C'SG**, approved in France, winner of 6 year old French Championship and top jumper with Eric Navet and **Dolabella C'SG**, 2nd in 5 year old 2013 French Championship.

Out of this mareline descend an incredible number of stallions and international jumpers including **Freeman**, Chicago, Acobat I, **Acobat II** and Acobat III, Catango Z, **Cortus**, **Acord I**, **Acord II**, Acord III, Question d'Honneur, Linton, **Eldino**, Exodus, **Athletico**, **Charisma**, Aktionaer, **Burggraaf**, **Quidam**, **Cascari**, **Ladro di Cuori C'SG (SF)**, Aljetto, Everglades VDL, Clear Round, Cointreau Z, Candlelight Z, Roxsy, **Usa Today**, Loradus, Billy, **Lord Arico**, Zaranza, Larentino, Oselli, Calantus, Cosima, Crusado, Costa, **Bella Donna**, Castigo, Elmshorn, Gaylord, Lantol, Oruna, Quintello, Contact, Carnevale, Averro, Chanel, Hermoine IV, Lavaletto, Queen Z, Rockella-S, Vrieda O, Linus, Phenix 4, Caddington, Lasirco

The father **Acobat II**, is a son of **Athlet Z**, that with **Almè Z** and **Gotthard** in the pedigree was particularly suitable for the Holsteiner mares. His mother **Tschita** is out the top sire **Capitol I**, produced also the approved stallions Acobat I and III. The grand-mother **Oruna**, top international jumper, out of **Calypso I**, is full sister of **Ribecka**, mother of the extraordinary stallions Acord I, **Acord II**, Acord III, and of **Verona**, mother of the stallion **Athletico** and grand-mother of **Bella Donna** (M.Michaels-Beerbaum).

Acobat II, out of the same Holstein Stamm 7126, is, in this way, close inbreeding with the daughter Fatti Bella herself through the full sisters Oruna (his 2nd mother) and Ribecka (her 3rd mother). He gave her temperament, movements and power.
